

COMPUTER MOT

KAIDEN COSTA

Mobile IT Technician — I come to you

£99 a year. Like an MOT — **for your computer.**

One visit to set it up, then **year-round peace of mind.**

WHAT YOU GET — **£99/YEAR**

Quarterly healthcheck

I come to you four times a year — cleaned, updated, secured, backed up.

Same-day priority

Book before 12, I'm there today.

10% off all repairs

SSD upgrades, setups, virus removal — save on every job.

Scam & account protection

Password manager + 2FA set up for you. New popup? Call me before you click anything.

Real local support

A real person who answers — not a call centre, not a chatbot.

Who is it for? Every computer, like every car, needs its annual check. No contract — cancel any time. No fix, no fee, as always.

Launch offer: first year half price — **£49.50**

Ask me when you call.
