Security, passwords, ads — ask me

NO FIX, NO FEE

Every job, in writing. If I can't sort it, you owe me nothing — not even the callout.

Who am I?

Hi, I'm Kaiden — 18, from Cookham Dean, BTEC Level 2 qualified in IT and Cisco certified. Slow laptop, dodgy Wi-Fi, pop-ups, lost photos — I fix the lot, not just builds. Patient with beginners, honest about what you need, and I never leave a mess.
